A YEARLY RECORD

OF THE SCHOOL

AND ITS ACTIVITIES

HARRISON TECHNICAL HIGH SCHOOL

C H I C A G O

# FOREWORD

In gratitude for the richness of spirit they have given this community we dedicate this HARRISONIAN to the boys and girls who, through the years, have left its portals to become men and women integrated into the life of the community.

# DEDICATION

In submitting for your approval the HARRISONIAN, 1951, we acknowledge our debt to those boys and girls, now men and women, who contributed so greatly not only to the development of Harrison High School, but also to the making of the community of which this school is an essential part.

In later years these pictured scenes will have grown dearer to us for time will have diffused them with our youth. Events which were once so much a part of our happiness will have become dimmed by the time's veil. Nevertheless, there are certain values that do not change: loyalty, integrity, truth.

# THE PRINCIPAL'S MESSAGE

In dedicating this number of their yearbook to the boys now fighting and who have fought to establish and maintain our freedom, the Harrisonian Staff is rendering a valuable and patrotic service. The struggle for man's freedom has been a long and difficult one. It is not and never has been entirely confined to the battle fields. Enemies within our borders are as dangerous as those outside it. Ignorance, intolerance, crime, selfishness, greed are illustrations of some of the enemies within the border. It is in this struggle on the home front that we as students and teachers can best enlist our services to keep our country strong and free, securing the victory won on the battle field.

## ASSISTANT PRINCIPAL

Through the efforts of Mr. Hawkins, we have well organized departments with fine department heads. The system of class registration is another attainment credited to his long list of accomplishments.

# ADMINISTRATION

Although their work is not carried on in the confines of one room, the duties of the administrative aids serve as a motivating force for the school as a functioning whole.

# IN MEMORIAM

Bohumil Kral

Teachers and students alike will miss Mr. Bohumil Kral, the kindly mathematics teacher, who pased away November 10, 1950, at the age of sixty-four.

Mr. Kral was one of the original faculty at Harrison. He taught Bohemian to students when Harrison High School was still in the Farragut Public School building, and when Harrison was built, came to teach in the present building.

Influential in community organizations, he worked for the betterment of the school. Having no children of his own, he adopted the students of Harrison, doing everything in his power for them.

Mr. Kral was to retire in June 1951, after thirty-eight years of faithful service to the school. It is a matter of much regret that he did not live to enjoy his well-earned leisure.

Harland V. Main

Paul W. Pettet

## HARLAND V. MAIN

Mr. Harland V. Main, commercial teacher, retired in January after twenty-six and a half years of service at Harrison. When Mr. Main began his teaching career, he taught General Science. In 1934 Harrison, one of five schools in the city, began to offer clerical practice training. Mr. Main was the instructor of these classes.

Upon retirement, Mr. Main returned to the business world.

## PAUL W. PETTET

Mr. Pettet began his teaching career in 1913 at Fallon and Graham Schools. At that time he taught manual training. The first print shop was started by Mr. Pettet in 1913. Austin, Washburne, and Crane are only a few of the many schools where he has taught.

Upon retirement he plans to enjoy life raising a garden and chickens.

# Parent-Teachers Association

## *Theme: Building Firm Foundations For a Brighter Tomorrow*

This year the Harrison Parent-Teacher Association celebrated its 20th anniversary with a Founders' Day Meeting. Present at the meeting was Mrs. Lydia Truc, the first president.

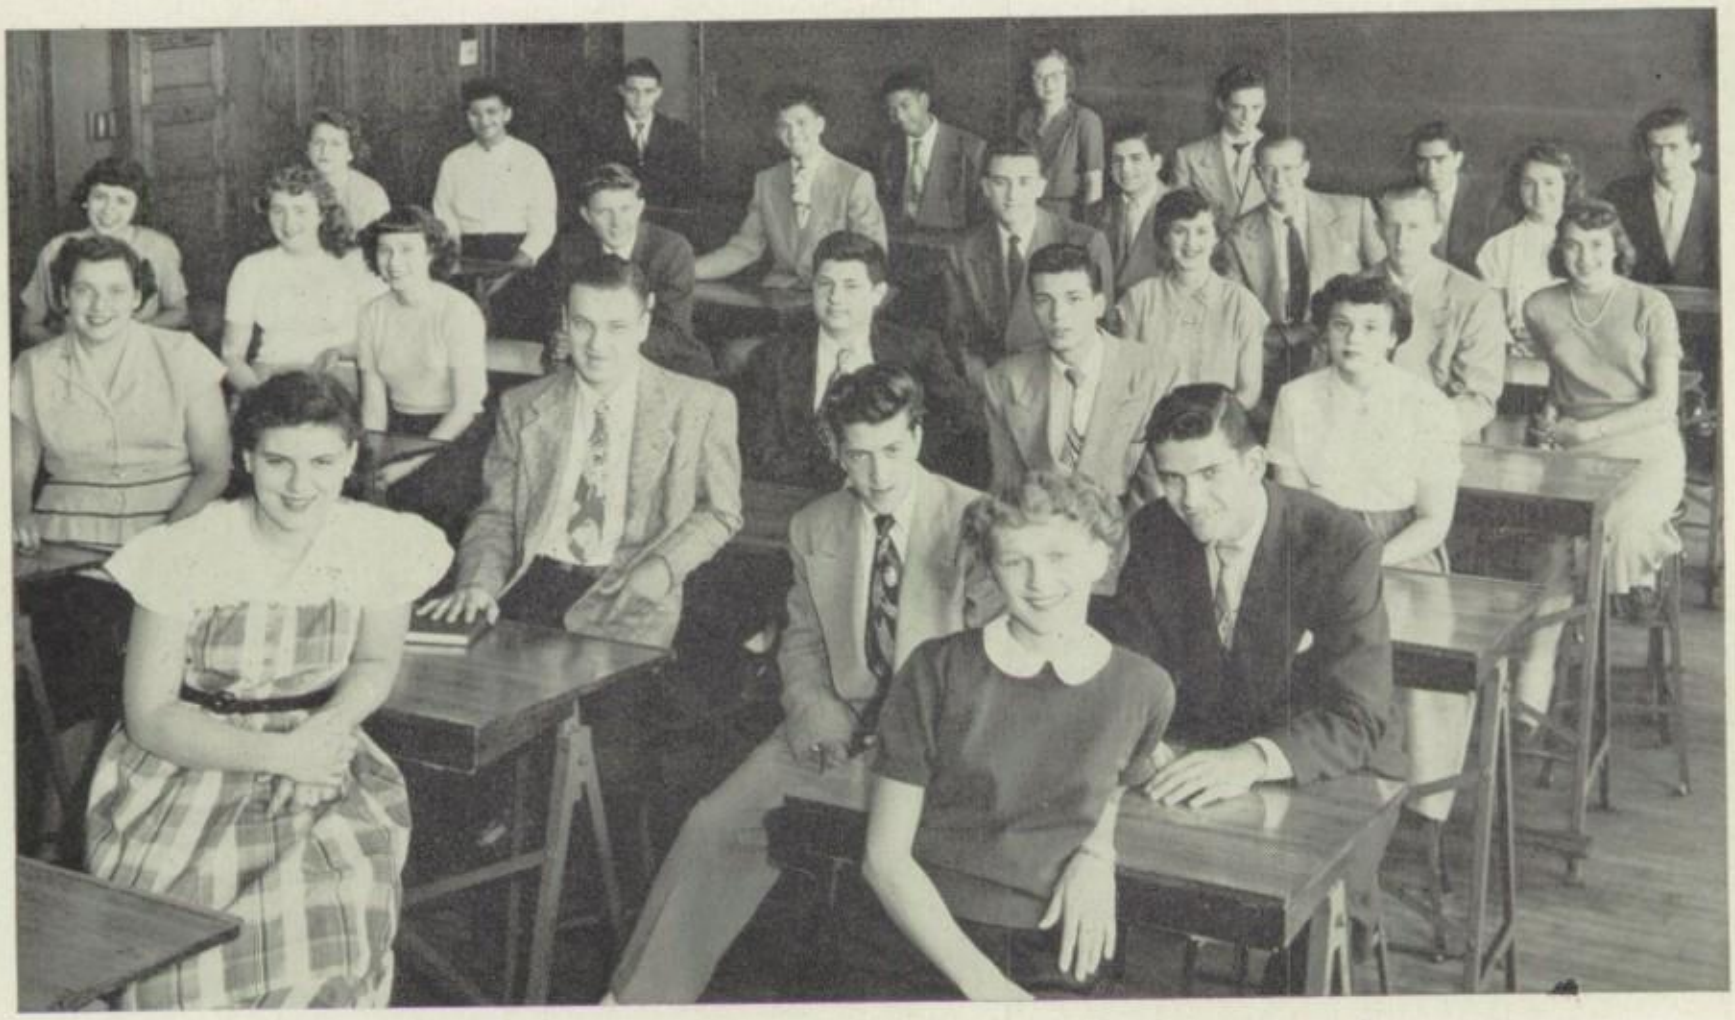
# DIVISION 451

FALL



Now we, as January graduates of 1951, leave behind us the happiest and most carefree days of our lives; we give thanks to our division teacher, Mrs. Katherine Twomey, who has stood by us, and whom we leave with heavy hearts but with pleasant memories.

A division filled with talent, we have in our midst, the Honor Society President, Frank Hajek; Class Secretary, Arlene Sadecky; Harrisonian Editor, Holleen Sawyer; one of the Top Ten Students, Carloe Chementi; and Rose Hayes and Rose Marie Roucka, the only two graduates with perfect attendance. This spirited division is represented in every activity, giving our best to a school that has given us so much.

These four years have been a great, happy and wonderful period in our lives—four years we shall never forget, a memory which we shall always treasure. Now we bid farewell to these joyous days to enter a new phase in our lives.

451

As January draws near we bid a sad farewell to Harrison. We have enjoyed our four years as undergraduates, but each of us must now go our separate way in the world.

Under the capable guidance of Miss Varraveto, we have successfully finished four years at Harrison.

We have shown interest and won acclaim in the Blue and Gray, Herald Staff, Harrisonian Staff, Orchestra, and athletics.

As always, all good things must come to an end. It seems like only yesterday we were "freshies" dominated by the Seniors. Now we have reached our goal and we stand in the same light.

Although there is joy in receiving our diplomas, we are sad at the thought of leaving. We shall always appreciate the background given to us which we know will be so beneficial.

# DIVISION 453

FALL

Mr. Hamilton's division established an excellent four-year record scholastically, in sports, in music, ROTC, and every other phase of school life. Six were section leaders in the Band. Eight were in the vocal music group. Five boys served in the ROTC. In six semesters of intramurals the girls won five semester and three school championships; the boys, three semester championships.

Fifteen served two or more semesters as gym, office, library, teacher helpers, or on the Herald Staff.

At the time of graduation thirteen of the thirty-two were on the Honor Roll, six being members of the National Honor Society. Harrison will long remember the outstanding records of Barbara Brooks, Patrica Buelow, Rudolph Herman, Joan Griffith, Patricia Hozian and Aglaea Kaludis.

All of the 453's are thankful for the help and guidance of the faculty, particularly their division teacher, Mr. Hamilton, for the past four years; they expect to show appreciation by being useful citizens always.

453

"Bewitched, bothered and bewildered," sang some of the Seniors of Divi-sion 456 when Graduation Day arrived. Others were softly weeping when they realized that this Day meant separation from friends and happy days of "dear old Harrision High."

The Division Teacher and also, the Class Sponsor, Miss Mary Myers, was proud to know that members of her division were in the National Honor Society, the Senior Class Officer Staff, the Masque and Gavel, the ROTC, the Band and the Orchestra, the Herald Staff, the Hall Guards Staff and the GAA, the Basket-ball Team, the Cheer Leaders Squad and the Intramural Athletics.

The Senior Class Officers, with their committee members, promoted various social activities that were a grand climax to the Senior Year.

Now, as they part to go their devious ways, the memories will linger on.

# DIVISION 458

FALL

High school days are never forgotten, nor are the strong friendships which the years filled with good times have produced.

When we were freshmen, the four years 'til graduation seemed like an eternity. But now we sadly look back and wonder where the time has gone.

We leave with cherished memories of dances, football games, assemblies, and classes, and a vivid picture of the halls in which we sang and laughed. Yes, there are many wonderful memories, and many hours in the future will be spent recalling them.

To the future Harrisonites we may be just pictures in a book, but to January 51'ers we shall always be well-remembered friends.

To Mr. Jicha all we can leave is a promise to do our best and make him proud of us.

MISS BRESEE

# DIVISION 8-315

SPRING

Now as seniors, we've completed our specified four years of educational training and are rather undecided whether to extend our education, by attending college, or become just common laborers.

Unforgetable memories of certain events will be cherished in the hearts of every student in Division 8-315. Let's just recapitulate some of these events: the gala time had by all at our weiner roast, the parties held at Christmas tide, and Miss Bresee's extended invitations to dinners and theater engagements to all honor students.

Our division classmates have participated in various constructive organizations, and in extra curricular activities. Just to mention a few: Harrisonian Staff, Herald Staff, Honor Society, Baseball Team, Football Team, Blue and Gray, and Boys' and Girls' Bowling teams.

And so we bid farewell to Harrison and our friends, to enter a new phase of life with new goals to conquer. We wish to express our gratitude to Miss Bresee, our beloved division teacher, for her able and efficient guidance in the past years.

8-315

Inevitably, as all good things must come to an end, so must our high school days.

Not long ago we entered the halls of Harrison as unknowing freshies. It was a new adventure for us. Now we are about to embark upon another new adventure. For some of us this new adventure will be days spent at college furthering our education, for others it will mean entering the business world. To all of us it will be new and perhaps a little frightening. Frequently we will look back to the happy carefree days we spent at HTHS. We will miss the dances, football games and, even, the work.

As we say, "Farewell, dear Harrison," many tears will be shed, for memories of our Alma Mater will always be held dear to our hearts.

We're at the end of our long journey and have finally reached our goal, "Graduation".

We would like to thank Mrs. MacMillan, our division teacher, for all the guidance she has given us these past four years.

During the years at Harrison, members of our division have joined various organizations: the Honor Society, "H" Club, Football, Basketball, and Baseball teams.

Our four years at Harrison have been happy and successful. We could not have done this without the help of our teachers. Harrison will always hold a soft spot in our hearts.

8-117

The time has come when we must separate from our most treasured friends and face the future that stands before us and for which we are well prepared.

The members of division 8-300 are well represented in the Band, Girls' Chorus, Athletic Teams, Honor Society, Hall Guard, ROTC, and other various clubs and organizations here at Harrison.

At this time we would especially like to extend our deepest appreciation to Mr. Silverman, division sponsor, for his guiding hand during our years at Harrison.

As June graduates of 1951, we know that behind us lie the best years of our lives. As we bid farewell to those joyous and carefree days to enter a new phase of life, we shall always remember and cherish the wonderful times we experienced during our stay at Harrison.

# DIVISION 8-116

SPRING

Here we are—Division 8-116—looking back over our years at Harrison High! Some of us have traveled the road together for a full four years; others have joined up along the way; but, all together, we have been a happy crowd, "swinging along, singing a song" with overtones of laughter and fun, and undertones of progress toward maturity. In memory, we note our full representation in all important activities of the school, and we are proud of some who have achieved individual fame.

Now, as we turn toward the future, no matter where we'll end, we pay tribute to one who guided us when the going was rough, who inspired us when we were low, who "gently reminded us" when we were out of line, and whom we always have known and loved as an understanding friend—our division teacher, Mrs. Seaton.

8-116

Friends—Laughter,—you'll find these in 336, and the person who makes this possible is our wonderful division teacher Mr. Bassett.

Working as a team, with Mr. Bassett as captain, in anything we attempted, was the main reason for its success.

This happy crowd has been active in many school activities such as Volley Ball, Baseball, Basketball, and Football Teams; "H" Club, Social Laboratory, Honor Society, Masque and Gavel and Dramatics Club members.

We have tried, in deep earnest, to maintain Harrison's undying school spirit.

In our scrap book of treasured memories, the pages labeled "Days at Harrison" will stand out far above all others.

SPRING

The members of Division 8-321 have had many happy times at Harrison. We fondly remember our good times and perhaps some of our troubles, too. As we progressed through the four years we took part in many of the activities of the school.

We are honored to number among us the President of the class, Louis Ven Huda; the President of the Honor Society, Jerry Janacek; the President of the Blue and Grey, Alan Antonik, the President of the Band, Raymond Barnas, and the President of the Social Laboratory, Dolores Lesny.

Many of our members have taken part in such activities as Swimming, Track, ROTC., Football, Basketball, Volley Ball, Band, Chorus, and Choir.

We have many pleasant memories to cherish as we enter our new careers. We will always be proud that we were privileged to be Harrisonites.

8-321

Division 334 started out four glorious years ago under the supervision of Miss Catherine Mahoney. From the beginning we have entered into the spirit of Harrison, having representatives in the Honor Society, Social Laboratory Hostesses, Hall Guards, Intramurals and Varsity Sports, Student Council, Girls' Bowling Team, Student Helpers, Attendance Helpers, Office Helpers, and the Harrisonian Staff.

The boys of 334 have won shields in Football, Baseball, and Volley Ball Intramurals.

Our Honor Society members are: Eleanor Buzek, Ruth Luback, Norman Mercer, Thomas Miskovsky, and Marian Slomiany. Thomas Miskovsky is President of the Student Council and valedictorian.

The officers in our division are:

President ..... George Del Gallo
Vice-President ..... Mario Pellegrino
Secretary ..... Marian Slomiany
Treasurer ..... Pat Vistayn

Miss Foran was our 4B Division teacher.

We have tried to make Harrison proud of us; in our hearts the memories of this school will live forever.

In 1947, a group of eager freshmen entered Harrison. At that time we had no idea that someday some of Harrison's best scholars and athletes would come from Division 215.

We are now represented in almost all varsity sports having Ken Behnke last season's Co-Captain of the Football Team, and Jack Charvat as Captain of this years Baseball Team. Jack is also on the Basketball Team.

Many of our members are in the Blue and Gray and the "H" Club.

The Senior Class treasurer, June Koziol, also hails from our division and we are well represented in the Honor Society having nine members in it.

We are especially proud of our division teacher, Miss Fox, who is well liked by us all. It was her helping hand that made us reach the top.

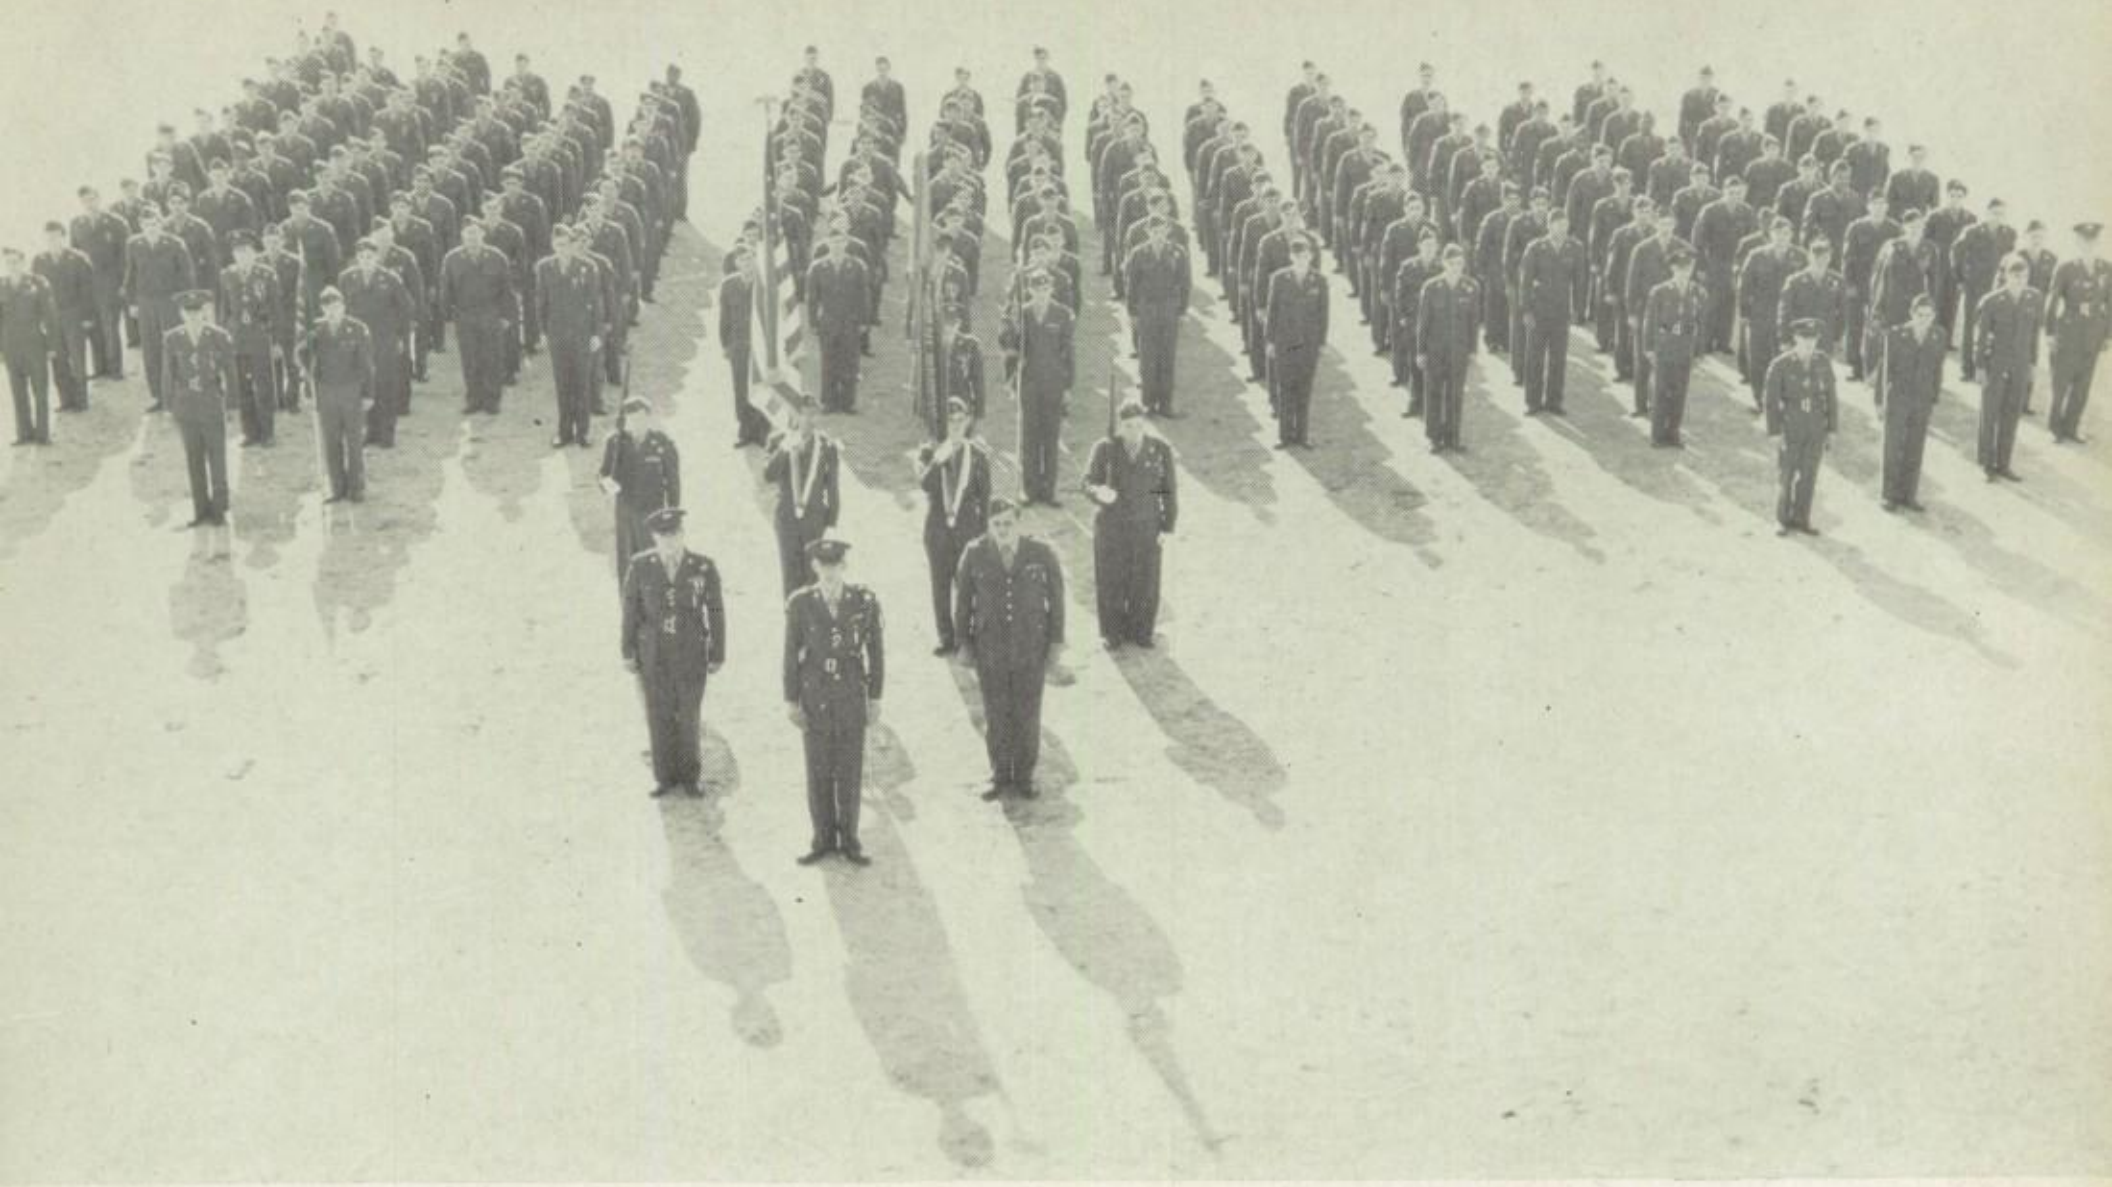
# R.O.T.C. Passes in Review

Harrison's ROTC, as in the past, is still a top ranking unit. Last year they were designated an honor school after Federal Inspection and from the way things are now, it looks as if Harrison will be among the top schools again.



# R. O. T. C.

MAJOR SWAILES

SGT. REA

The instructor personnel consists of Major Floyd P. Swails, who has done much to promote the unit to a highly regarded battalion made up of three companies and commanded by Cadet Lt. Colonel James Fuqua; assisting Major Swails are SFC Chas. N. Rea and SFC Nelson Burton. Sgt. Burton was transferred from Marshall High School to Harrison to replace Sgt. N. J. Zelock.

Sgt. Zelock, former instructor, who has given much of his time to the improvement of the unit, was transferred to the Far East Command, where he eventually landed in Korea. From reports, Sgt. Zelock has been slightly wounded while in action.

SGT. BURTON

The picked Platoon, instructed by Sgt. Burton, went down for the district competitions this year and as always they made a fine showing. Last year the Picked Platoon were district champions. This year their showing dwindled somewhat, but they did come in second place.

This year we have three rifle teams. The first team has shown up well, winning the majority of their matches. Headed by their instructor, Sgt. Rea, they have been given the proper stages of instruction that have made them what they are.

Cadet Gerry Samos has achieved recognition as a full colonel this semester. There are only three cadets of this rank in the city.

# COMPANY A

Company A, being the rifle company, has an example to set for the lower ranked cadets. They must perform with the utmost precision so as to reflect credit upon the unit and also show the newer cadets that eclat a good cadet should be possessed of.

Many in this company are of excellent status as for as ROTC is concerned. They are to be considered as the "cream of the crop."

Consisting of two platoons, commanded by Capt. Nick Aristuk and assisted by Lt. Eugene Stunard, they have performed a difficult job very creditably.

# COMPANY B

The cadets have won a goal that is hard to beat in company B. This goal is their constant interest in the welfare of the unit. The boys are attentive and show perseverance through all their endeavors. They have the well known reputation to be the boys that never shirk their duties and they are always looking for means of extra credit.

Commanded by Cadet Gerry Samos and assisted by Cadet Joseph Baber, they reflect their leaders' instructions.

# COMPANY C

Company C consists of the newer cadets. These cadets have gone through their first semesters and now have been shown the responsibility of the unit. This year found the freshmen cadets wearing uniforms as the rest of the unit does, and they have been impressed with the importance of neatness.

Commanded by Cadet Carl Noto and assisted by Lt. Quinn and Lt. Hofrichter, they have shown fine advancement.

To Dave,
a swell friend.

That its chief aim was to develop civic spirit and civic pride both in the school and in the community was discernible in its Crusade-for-freedom drive, in its anti-vandalism program, whereby the school again received an award—this time $512.82 (which was used to purchase library books for everyone's use); in its usual annual clean-up drive; in its participation in National Education Week Activities and in the annual Community Youth Conference; in its delegates' attendance at the Northeast-Northwest Student Council yearly meeting (held at Evanston Township High School) and the state student council convention held at Congress Hotel, Chicago.

Nor did it neglect the lighter side of life: some of its social activities were: a roller-skating party, "get-togethers" for the Council itself, and teas for the parents on several occasions.

The officers for the year were: Thomas Miskovsky, president; James Kral, vice-president; Jean Kickert, Secretary; Audrey Randa, treasurer; and Miss Eva B. Cappetta, sponsor.

# HONOR SOCIETY

The Honor Society is one of the most distinguished organizations at Harrison. It is part of the National Honor Society composed of over twenty-five hundred local chapters which endeavor to stimulate the four keynotes of Scholarship, Leadership, Character, and Service.

This select group initiates sixth semester students if they possess an "E" average, have qualities of good character and leadership, and perform service to their school.

Serious study and faithful service enable these members to graduate with a gold tassel on their caps, a gold seal on their diplomas, and become lifetime members of the National Society.

To our sponsor, Miss Smith, we owe our gratitude for her cheerful guidance.

Our symbol, the flaming torch of knowledge, will inspire us to higher aims in our after-school life.

MARCH 14, 1951

MISS LANDA

The 4B skating party was held this semester on March 14th at the Roller Bowl . As usual the members of the 4B class along with everyone else present had a grand time and agreed it was a memorable night. Various members of the faculty too were present; they included Miss McHugh, Miss Taheny, and Miss Landa, the sponsor.

# DE-OWLS

In the fall of 1949, Rose Raymond, Julie Lupori, Arlene Kleinhammer, Ruth Haller, Phyllis Morose, Gerry Starck, Violet Opatrny, Genevieve Nuzzo, and Esther Coduto met in Mr. Duda's biology class. Seeing as they had many things in common such as volley ball, swimming, and basketball along with many good times they formed a club known as the De-Owls.

That was the beginning of a friendship which is to last a long time.

# RED CROSS

"Co-operation" is the key word of the Junior Red Cross Council. The girls' regular attendance and hard work have brought many happy smiles to the faces of hospitalized veterans through gifts of nut cups, candy, playing cards, books, and handmade afghans. Under the enthusiastic leadership of their sponsor Miss Mae L. Cunningham, the girls have truly found their efforts to be a success.

The Registration Club, long noted for its good work of registering students into classes, first began in the Fall of 1945-46. Since then, it has developed into an organization which has been of great assistance to the school. Many students sacrifice study periods, and school holidays to come to school and finish the work in Room 313. Such is the spirit of service and loyalty in this group.

# RED CROSS HOME NURSING

MISS E. O'BRIEN

Home Management is a very practical subject for the teen-age girl who is thinking of herself as a future homemaker.

In Home Management the Junior and Senior girls have an opportunity to prepare for homemaking. Among the units included are Red Cross Home Nursing and Mother and Baby care.

The Home Nursing unit gives the girls an opportunity to learn and practice the proper procedures in making a bed, caring for the sick, giving medicines, following doctors orders, and using simple equipment.

In the unit on Mother and Baby Care the girls learn how to bathe, dress, feed and handle a baby.

The girls who successfully completed the courses this semester were awarded Red Cross certificates by Mrs. Hila Logan, the Red Cross nurse in charge of this work.

The pupils of Division 314, under the leadership of Mrs. Ward, entered Harrison High as timid Freshmen three years ago. As Sophomores they returned for more instruction, and now they have attained the sophistication of their Junior year. Still under the wonderful guidance and companionship of Mrs. Ward, they have passed through the mazes of sequences and required majors, so that Division 314 may finally emerge as Seniors, aloof and serene, in a not too distant future.

# DIVISION 306

MISS KELLY

At the beginning of the semester we inherited a new crop of students from Miss Horning's division, which was broken up after her retirement in June, 1950.

Although, we have both the new and original members in Division 306 we are unified in such activities as Volley Ball, Football and Intramural Softball, Chorus, Choir, ROTC, Registration Club and Student Council. In addition to all these, we contribute to the various charities and have had a 100 per cent subscription to the Herald since our 1B semester.

Under the capable guidance of Miss Kelly, we are leaving our Junior days behind and eagerly looking forward to our senior year, 1951-1952. We only hope we can all stay together and reach the goal we have set out to accomplish . . . Graduation in '52.

# DIVISION 305

MRS. SEVICK

At long last division 305 has earned the title of upper-classmen. We all agree, that since our "freshie" days, we have gracefully achieved this title.

The members of this division have always combined work and recreation with great success. Although extra-curricular activities are favored by all of us, scholastic achievements are never neglected. Many are looking forward to becoming members of the Honor Society next semester.

Turning to boys' sports, we boast of our 3B football champs. The swim team, too, is well represented by Tom Hejna.

The time is rapidly approaching, when the great honor of being a senior is bestowed upon us. As seniors, it will be our duty to take our places as able leaders of Harrison. Under the expert guidance of Mrs. Sevick, we expect to accomplish this extensive task successfully.

# DIVISION 303

MR. MUELLER

When we entered Harrison three years ago, we always wondered what it would be like to be juniors, for then we would be in the last half of our high-school career. It won't be long before we are seniors; a goal to which everyone looks forward.

Our members have taken part in almost every activity offered to us here at Harrison. We have members in the A Cappella Choir, the intramural sports and some on the Honor Roll. Although we are not ready to become Honor Society Members I'm sure most will make it.

We wish to express our thanks to Mr. Mueller who is helping us achieve our success. We all are appreciative of the help and guidance we are receiving from him.

# DIVISION 302

MISS CUNNINGHAM

With almost three years of high school behind us, we, the students of Division 302, appear before you again. Our goal still remains the same; to make our division one of the best in Harrison. We know that we will succeed with Miss Cunningham as our division teacher.

The students of 302 are really on their toes. We are represented in many of Harrison's activities.

The girls participate in the Girls' Chorus, A Cappella Choir, Social Laboratory, Registration Club, and Student Helper Clubs.

The boys are in the ROTC, A Cappella Choir, Registration Club and are on the Basketball, Football and Track teams.

Several of the members of 302 have an "E" or better average.

We are rapidly approaching our goal and are eagerly looking forward to our long awaited senior year at Harrison.

Almost every school activity has attracted the members of this division. The Band, Boys' and Girls' Choruses, A Cappella Choir, Hall Guards, ROTC, H Club, GAA, Registration Club Helpers, and many more, are among the ones in which we have participated.

Together, we will continue to co-operate in making our division one of the best in the graduating class of June, 1952.

MISS O'ROURKE

When we entered Harrison in the fall of 1949, we were a bevy of frightened freshies. Miss O'Rourke, our division teacher, led us through, what seemed to us at the time, an endless maze of corridors and tunnels. But now we have groped our way through the difficult first years of adjustment and consider ourselves old veterans who really know the ropes. We have reached the half way mark.

We are well represented in the activities here at Harrison Tech. Girls and boys in our division are active participants in the ROTC, Band, Orchestra, Girls' Chorus, GAA, and act as student helpers, Hall Guards, and Junior Red Cross Members.

In our future years at Harrison, we will strive even harder to serve our school to the best of our ability and to uphold its fine tradition: "Harrison Tries, Harrison Succeeds."

Our division is striving for a high scholastic record with the help of our division teacher, Miss C. O'Brien, who is also helping us make preparations in our future careers by telling us what subjects would be suited for our various positions.

Our division delegate for Student Council is Rose Sengstock who has shown she is worthy of her position for she was re-elected for the third time. The GAA delegate is Dorothy Cassata; the PTA delegate, Alice Urlaub; and the newspaper delegate, Marilyn Futter.

Our division is trying hard to be a top-notch group in everything we undertake to do.

There is never an idle moment where members of Division 112 are present. What outstanding students we have! Not only are we represented in many of Harrison's activities, but the future promises that our division is soon to be the most outstanding at Harrison High School.

There are thirty-five of us "Freshies" and all of us are actively interested in promoting the cause of our school. We are found on the football squad and track team, in intramural sports and on the bowling teams. We are represented in the ROTC, Girls' Chorus, Boys' Chorus, the Band, and we do an excellent job as student helpers.

Add to all this the fact that many of us are on the Honor Roll, and everyone must admit that we are really outstanding in all respects.

We are proud of our school and of our Harrison spirit.

In September of 1950, 21 earnest boys and 18 determined girls, a total of 39, enrolled in Division 107, variously known in past years as Division 206, "The Pipelayers," and "The Merrimacs." Some were bold; others were timid. All realized entry into Harrison was a step toward manhood or womanhood. Each was determined to do his or her part maintaining the spirit and tradition that is Harrison.

The surroundings were strange and the teachers somewhat more demanding than those encountered in grammar school. They are all sure that when the scores are totaled in June, 1954 they will have contributed their share to the Boys' Chorus, Girls' Chorus, Orchestra, Band, the various sports and the Harrison Honor Society. Later they plan to contribute their share to the advancement of the Harrison Community and to the support of American ideals.

MR. HAMILTON

We are just making a beginning in our high school training and expect to establish a good record of achievement. Six boys are in ROTC, two boys are movie operators, seven are student helpers, and five members are in the band and orchestra.

Norine Baechtold secured 100% for the subscriptions to the Herald. Jack Dickshinski succeeded in getting 100% for the welfare fund. But this is only a start. As the semesters pass we will help Mr. Hamilton, our division teacher, to make our four-year record one that we can be proud to say is ours.

We are just a bunch of "green Freshies," but we hope to live up to the high standards set up for us at Harrison. We had a tough time making the adjustments to the school and to the teachers, but we have succeeded under the excellent supervision of our division teacher, Mr. Perlstein.

Division 228 has a membership of 33 pupils. We realize that now is the time to study and store up knowledge which will enable us to enrich our young lives. Our future problems will be our own; how to attack them, how to cope with them—we can learn by example and by study.

• • •

The students of Division 1-331 are proud of their participation in the band, ROTC, and swimming team. Theresa Costanzo is the only freshie in the Aquabelles.

Our student council delegate is Mary Ann Coppola and the GAA delegate is Marge Delvaille.

With the help and guidance of Miss Schless, our division teacher, we hope to reach our goal, "success."

"School days, school days;
Dear old golden rule days,
Readin', and 'ritin', and 'rithmetic,—"

Once again the famous song is sung but this time by High school Freshies. This Year of 1951 is a special year because it introduced Literature, Spanish, and Algebra, to 32 young boys and girls. These freshmen are the graduates of Hammond, Plamondon, Jackson, Pope, Pickard, Howland, McCormick, Lawson, Shepard and Spalding Elementary Schools. The Harrison High School welcomes them, invites them to join a variety of clubs and activities that will enable the Freshmen to endure and enjoy High School Life from the social as well as academic angle.

The division room teacher, Miss Mary Myers, advises, and cautions her ambitious crowd.

The division officers are:
